States and Union Territories for procurement of hardware, office automation packages, training of manpower and development of application software for computerisation up to the division level offices of the line departments. The total Central funds released to States/Uts under the Rajiv Gandhi National Drinking Water Mission is Rs. 8923.73 lakhs (as on 26.7.2002).

The Ministry undertook a pilot project for providing VSAT connectivity to 15 District Rural Development Agencies(DRDAs) for providing internet facilities and a web based software for poverty alleviation and rural development programmes. The pilot project has been taken up in 15 districts in 11 States, namely Anantpur and Nalgonda in Andhra Pradesh, Thanjavur and Perambalur in Tamil Nadu, Etawah in Uttar Pradesh, Hosangabad, Narsinghpur and Jaisen in Madhya Pradesh, Solan in Himachal Pradesh, Hazaribagh in Jharkhand, Midnapur in West Bengal, Shillong in Meghalya, Chandrapur in Maharashtra, Sikar in Rajasthan and Almora in Uttranchal. The project endeavors to establish a system for flow in information in respect of Swarnjayanti Gram Swarozgar Yojana (SGSY), Jawahar Gram Samridhi Yojana (JGSY), Employment Assurance Scheme(EAS), Indira Awaas Yojana(IAY) and Watershed programmes. The total Capital cost of the project is Rs.99.00 lakhs. The implementing Agency for the project is National Informatics Centre(NIC) and no funds have been allocated/released to the States.
